In Wages By Eastern Manufacturers Will Come Up at Meeting of Iron, Steel and Tin Workers.

Special to the Herald.  
Youngstown, O., May 5.—The Amalgamated Association of Iron, Steel and Tin Workers, one of the strongest labor bodies in America, began in this city today, with headquarters at the Todd House. A large number of the delegates had not arrived when the meeting convened at 10 o'clock this morning, but it is probable that several hundred will be in attendance when the real business begins tomorrow. The convention immediately went into executive session. The general sentiment which prevails among the delegates is that this convention will be one of the most important in the history of the organization. It is said that the sweeping reduction in wages made by some of the Eastern manufacturers will come up for discussion, and plans will be adopted to force a higher rate of wages. The wage scale will be drawn up and the annual election of officers will be held.

### THAW GOES TO COURT.

Will Make Fight to Gain His Liberty From Matteawan Asylum.

Poughkeepsie, N. Y., May 4.—Harry Thaw, accompanied by Dr. Baker, superintendent of the Matteawan asylum, and attendants arrived here this morning for a habeas corpus hearing. Baker will testify that he does not believe Thaw is yet cured. Thaw and Baker were very friendly on the trip from Fishkill Landing. Thaw says his inquisitors can go as far as they like with him. District Attorney Jerome will try and have the case transferred to New York.

Thaw's attorneys scored the first blood in the present move for his liberty. They secured a ruling from Justice Morshauer of the supreme court, allowing the witnesses who will testify to Thaw's sanity to be heard in the court. Those who claim he is insane will be heard in New York. That county will have to pay most of the expense of the litigation. After making that ruling court was adjourned until May 11th, when Thaw's witnesses will be heard. The hearing will last for months, as Jerome will send committees to Europe to take evidence regarding Thaw's sanity, submitted for by the district attorney, but was denied.

### Y. M. C. A. NOTES.

Although no regular speaker was on hand for the men's meeting Sunday afternoon a very helpful service was held. Mr. M. R. Shelton gave a plain heart-to-heart talk and was followed by several others who expressed their views on different scriptural quotations in an informal way. The Misses Crozier gave a beautiful instrumental selection with the piano, violin and flute, that was enjoyed by all. Miss Frances Teamer sang a sweet solo, "Keep in Touch With Jesus," that touched the hearts of all with its beautiful sentiment. Miss Jennie Keller accompanied her on the piano. Every man went away glad that he had come.

No classes will be held in the gymnasium this week, in order to allow each member to rustle for swimming pool subscriptions.
